## Cargo Area Protectors

---

Our Cargo Area Protectors are specifically engineered for each Ford, Lincoln and Mercury vehicle.

They provide excellent coverage against dirt and spills. The Cargo Area Protectors are custom designed for an exact fit in each vehicle, to help them stay in place.

Protect your investment.

# >> Helps Your Vehicle Stay Clean

Flexible, Cargo Area Protectors are made to match the contours of the cargo area unique to each Ford, Mercury, and Lincoln vehicle, providing a customized fit.

- Most Cargo Area Protectors are prominently embossed with the vehicle name or brand logo.
- Deep grooves, raised ridges and a high surrounding lip help catch the dirt, mud, slush or salt you bring in – as well as help contain spills.
- Easy to clean - just give it a quick, convenient hose-off.
