NOTES:  
<sup>1</sup> Refer to the Remote Start Application Guide for specific required part numbers.  
<sup>2</sup> Range in feet may vary based on location and environment. Remote Access requires that the phone and the vehicle have adequate cell coverage.  
<sup>3</sup> Genuine Ford Accessories are warranted for whichever provides you the greatest benefit: 24 months (unlimited miles), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile (4-year/50,000-mile for Lincoln) New Vehicle Limited Warranty. Contact your local Ford or Lincoln Dealer for a copy of the limited warranty.  
<sup>4</sup> ESP Coverage is available at extra charge from your Ford or Lincoln Dealer. See dealer for complete details.

Remote Start Systems for Automatic Transmission equipped vehicles only.  
 Plug-N-Play - Ford and Lincoln have started introducing a new electrical architecture with certain 2011-2014 model year vehicles that will eventually cross all vehicle platforms over the next few years. These platforms allow for integration of the Genuine Ford and Lincoln Plug-N-Play remote start systems without the need to cut or splice into the wiring of the electrical system that is often required when installing aftermarket remote start products. Using Genuine Ford and Lincoln parts is strongly recommended as it preserves your vehicle warranty.
